ADMINISTRATIVE COUNCILS, CABINETS, AND COMMITTEES MSD 306

The superintendent may develop and lead such permanent and temporary councils, cabinets and committees as he/she deems necessary for proper administration of the school district program.

The groups established or authorized by the superintendent may be ad hoc (for the purpose of studying a particular issue) or may be commissioned to assist in a broad range of studies. Groups will be advisory in nature and will be subject to the same general guidelines on research and release of information as established for groups advisory to the Board.
