BUS DRIVER EXAMINATION AND TRAINING

MSD 536

The driver of a school bus is charged with a serious responsibility for the safety of the children in his care. It is therefore important that school buses only be operated by a properly licensed driver who has passed all examinations prescribed by the statute and the department of public safety.

In application for a CDL bus driver's license and in accordance with state law, each bus driver will be required to have a physical examination every other year. The private bus contractor will ensure that the provisions are enforced.
