STAFF JOB ACTIONS

MSD 841

By state law, it is illegal for any employee of the district to engage in a strike, withhold services, be absent without leave or authorization, or decline to perform all of the employee's duties and responsibilities.

So that the educational programs of the district will function without interruption, the Board will ensure that contracts that are in force with the district are fulfilled. If necessary, legal recourse will be taken by the Board to fulfill its obligations and responsibilities to the citizens of the district.

Any employee who conducts himself in a manner that is disruptive to the educational programs of the district and/or violates the provisions of his contract with the district subjects himself/herself willfully to the legal recourses available to the Board.

It is the responsibility of every administrator to ensure that the obligations and responsibilities of the Board are fulfilled as the Board directs.
