DISSEMINATION OF ADMINISTRATIVE REGULATIONS

MSD 312

The superintendent will establish and maintain an orderly plan for making regulations known to all staff members, students, and the public. A regulation concerning a particular group or groups in the schools will be distributed to the group(s) prior to the effective date of the regulation.

The superintendent will also provide easy access to an up-to-date collection of Board policies and regulations for all employees of the school district, members of the Boards, and the community at large.
